MEMORANDUM FOR: Colonel White
THROUGH : Mr. Lloyd *JHL*
SUBJECT : Compromise of Covert Employee

1. The attached complaint of the DD/P is a duplicate of the incident I&R reported in June 1955. Duplication is complete to the extent that the same covert employee is involved in both incidents.

2. I have checked with Reynolds on this and suggested he take immediate steps to ascertain the facts preparatory to a request for a detailed explanation from Colonel White. I am sure Harry Reynolds is not taking this matter lightly and is duly concerned. Personnel intends to call upon Security for a fact-finding assist. It is not known at present whether procedures established in June to avoid this type of thing were followed. It is suspected that someone at the ex-employee's former residence in Virginia forwarded a separation action to [REDACTED] such mail having been delivered by the Post Office and independently forwarded despite the following advice which should have been on the envelope:

POSTMASTER: DO NOT FORWARD
If new address is known,
kindly indicate on this piece
and return to sender.

3. Suggest the attached memo be sent the Director of Personnel calling for a detailed explanation, steps taken to avoid recurrence, and appropriate advice from DD/S to DD/P re subject.
